## Graduate Program Coordinators Workshop

**Overview:** The Graduate Program Coordinators Workshop is an intensive academic leadership development program designed to support for faculty charged with leading graduate programs. The 4-day workshop equips new program coordinators to successfully sustain and grow their respective programs. Session topics include:

- -The Graduate College 101: The Players, Processes, and Plans
- From CIP to FERPA: What You Must Know as a Graduate Program Coordinator
- -Who Pays for This?
